How to access Campaign Performance Report

The screenshot shows the Agency dashboard interface. At the top, there are navigation links for 'Support Resources', 'Contact Us', and a user profile for 'Jumanah Ahmed'. A search bar contains 'Demo-Social' and 'Previews and Demos - Advertiser'. Below this is a navigation bar with four tabs: 'PRESENT', 'CREATE' (highlighted with an orange underline), 'DISTRIBUTE', and 'REPORT'. The main content area is a table of campaigns. The first row is expanded, showing a dropdown menu for the 'Campaign' column. The menu is divided into sections: 'ADMINISTRATION' (Edit Campaign, Archive Campaign, Delete All Creatives), 'AD OPS ACTIONS' (View Collection Code, Preview Collection, Export Ad Tags to XLSX), and 'REPORTS' (Campaign Performance Report). A red arrow points to the 'Campaign Performance Report' option. Another red arrow points to the gear icon next to the 'Campaign' header in the table.
